Project Website: <http://muree.psut.edu.jo/Home.aspx>

Deliverable Title	<i>Project Website</i>		
Author(s)	<i>Abdallah Al-Zoubi and Ahmed Al-Salaymeh</i>		
Organisation Name(s)	PSUT and UoJ		
Deliverable No.	7.4		
Deliverable Type	Other Products		
WP Number	7		
WP Leader	UoJ		
Due Date of Delivery	15/01/2013	Project Month	3
Submission Date	15/03/2013	Project Month	5
Dissemination Level	International Level		
Total Number of Pages	1		

A website was designed by UoJ and hosted by PSUT at <http://muree.psut.edu.jo/Home.aspx> in order to disseminate information on the project. It includes an intranet area for project partners which will allow uploading didactic and reporting materials as well as activities, news and announcements on seminars, workshops. Mr. Mamoun Dmour, UoJ, was appointed as a webmaster of this website.

Muree Website

MUREE website aims to disseminate information on the project; its partners and activities will be designed and operated to be made accessible by a the public including disabled person. It will include an intranet area for project partners which will allow uploading didactic materials. Announcements on seminars, workshops, and activities will be uploaded into the website

Muree Intranet

The Intranet area is reserved to partners only in order to enhance collaboration and enable teamwork where information is easily accessible by all authorized users. This area is essentially a shared drive, serving up centrally stored documents alongside internal articles. It is also a communication hub for the team, securing project's management support, creation of document framework for hosting content and a platform for key personnel committed to keeping and maintaining content.

Technically:

The Website & Intranet published on Microsoft sharepoint 2010 server, at PSUT Computer Center. And the intranet is published for members use.

You can login to The Muree Website and The intranet through:

<http://muree.psut.edu.jo>

How To Access The Intranet:

1. Goto <http://muree.psut.edu.jo>

2. Goto **Intranet** from main menu

3. Click on **Click Here**

Home Project Partners Activities Tr

Intranet

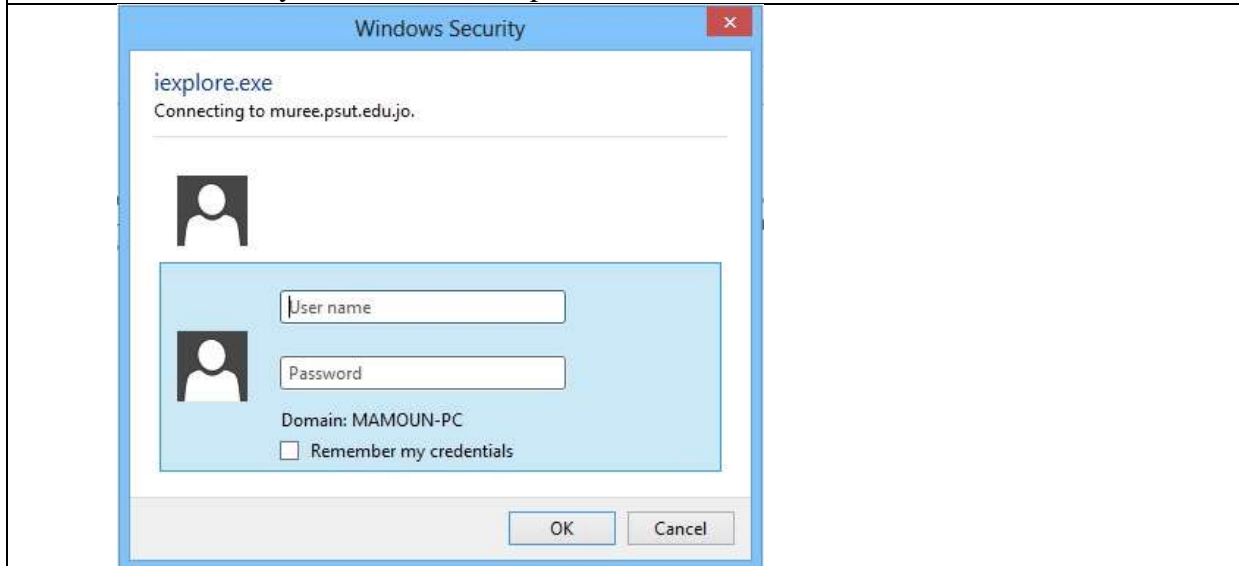

The Intranet area is reserved to partners only in order to enhance collaboration and enable tea
authorised users. This area is essentially a shared drive, serving up centrally stored d
communication hub for the team, securing project's management support, creation of docume
key personnel committed to keeping and maintaining content.
